PART-IV

Item No.3: Any other subject with the permission of the chair.

v) To consider the letters of request received from the Management running the Unaided Institutions mentioned in the list Annexure - "C" to condone the delay in submitting the online proposal for approval of fees for the academic year 2022-2023 and to open the link for submission of proposals.

Discussed:

The link for submission of the online proposal for the approval of fees by the Unaided Institutions in respect of the academic year 2022-2023 was made available w.e.f. 1st April 2022 and the same was kept open till 30th April 2022 and the period was then extended up to 12th June 2022. Inspite of providing sufficient opportunity and time to submit the proposals,

the Institutions mentioned in the List Annexure –"C" have failed to submit the proposals within the period prescribed.

The reasons assigned by the Management running the Institutions seeking permission to submit the proposal by condoning the delay though not satisfactory and convincing, it was decided to condone the delay and permit them to submit the online proposals in the larger interest of Institutions, their employees and students. The delay in submitting the proposals by the respective Institutions is condoned subject to payment of late fee of Rs. 50,000/- per course for the Institutions seeking upward revision of fees and payment of Rs. 5,000/- per course for the Institutions seeking the exercise of the option to go for no upward revision of fees for the academic year 2022-2023 and to apply the fees structure approved by the Fees Regulating Authority for the academic year 2021-2022. The payment of the cost for the delay in submission of proposals shall act as a condition precedent to entertain and process the proposals. The proposals submitted without payment of process fees and late fees shall not be entertained, processed and liable to be rejected for non-fulfilment of condition.

The link be made available to the Unaided Institutions mentioned in the list Annexure –"C" as well as the Unaided Institutions who have yet to submit the proposals and willing to submit proposals with late fees. The link be opened w.e.f. 22nd July 2022 and the same shall be kept open tili 10th August 2022.

The Unaided Institutions which are required to submit the proposals for approval of fees to the Fees Regulating Authority under Section 14(1)(a) of the Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees) Act, 2015 for the academic year 2022-2023 if failed to submit proposals till 10th August 2022 be proceeded under Section 20 of the said Act of 2015.

Let the follow-up action be taken accordingly."
