The fees as approved be communicated to the individual institute/college. If the fee approved by the Authority is not acceptable to any individual institute/college then such institute/college may file the Review Application within fifteen days from the date of receipt of communication of fees approved by the Fees Regulating Authority.

The fees as approved can be maximum fees that can be charged and recovered from the students by the concern college/institute. The term "fees" has been defined under section 2(g) of the Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees) Act, 2015 and same reads as under:-

"Fees" means the amount fixed as fee which includes tuition fee, library fee, gymkhana fee, examination fee, development fee or amount payable for any curricular or co-curricular activities, laboratory fee, information brochure fee and any other amount collected from the students, by whatsoever name called, and accepted in whichever manner, that is made payable to a Private Professional Educational Institution, for whatever purpose, by any candidate admitted to a professional course at such institution, but excludes any charges payable towards use of any optional hostel accommodation, mess charges and Students Insurance Fees."

Thus any amount accepted by the institutions in cash or kind, directly or indirectly in excess of the fee approved by the Authority amounts to an Act of "profiteering" as defined under section 2(s) of the

Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees) Act, 2015 and the Management of such Institution liable for penal action as provided u/s 20 of the said Act of 2015.

Follow up action be taken accordingly”.

Item No. 2:

To consider the request letters received from the Institute/colleges mentioned in the list Annexure 'A' seeking No Upward Revision for the academic year 2021-22 (list annexed as annexure 'A').

“Discussed.

The Management of the Unaided Private Professional Educational Institutions mentioned in the list **Annexure 'A'** have intimated that for the academic year 2021-2022 they are not seeking upward revision of fees and would like to apply the fee structure approved by the Authority for the previous academic year 2020-2021 for the academic year 2021-2022.

As per section 14(1)(b) of the Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions & Fees) Act, 2015 in the event of non-submission of the proposal for upward revision of fee by the Management within the period prescribed u/s. 14(1)(a) of the said Act, the fee structure approved by the Authority & applicable during the previous academic year shall continue to apply to such institution for the immediate next academic year. Section 14(1) a & b of the Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees) Act, 2015 read as under;

"14. (1) In determining the reasonableness of fee structure, the following provisions shall apply:-

"(a) the Management of the Unaided Institution shall submit the details of the proposed fee alongwith the audited accounts of the preceding financial year, the proposed budget in respect of the current financial year and the relevant record and evidence to the Fees Regulating Authority for its approval not later than 31st October of previous academic year ;

(b) in the event of non-submission of the proposal for upward revision of fees to the Fees Regulating Authority within the time-limit specified by the Authority, the fees structure as approved by the Authority and applicable during the previous academic year shall continue to apply".

In view of the above, no specific order of the Authority is required to apply the fee structure approved by the Authority for the previous academic year for the immediate next academic year. Therefore the Management has to act in accordance with Law.

The list **Annexure 'A'** shall form the part & parcel of the minutes of the meeting.

Let the follow-up action be taken".
