The fees as approved be communicated to the individual institutes/colleges. The Institutes/colleges be informed that if the fee approved by the Authority is not acceptable to them then individual institutes/colleges may file the Review Application within fifteen days from the date of communication of the decision/fees approved with reason.

It is clarified that the fee as approved by the Authority is the maximum fees that can be charged and recovered from the students by the respective colleges/institutes. The meaning of term 'fees' has been explained under section 2(g) of the Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees) Act, 2015. The fees approved includes tuition fee, gymkhana fee, examination fee, library fee, development fee, laboratory fee, information brochure fee, the amount collected for any curricular or co-curricular activities *and any other amount collected from the students, by whatsoever name and accepted in whichever manner, from the students/candidate admitted to professional courses by the Private Professional Educational Institution excluding any charges payable towards use of optional facilities such as hostel accommodation, mess charges and students insurance fees.* Thus any amount accepted by the institutions in cash or kind, directly or indirectly in excess of fee approved by the Authority amounts to an Act of "profiteering" as defined under section 2(s) of the Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees) Act, 2015 and liable for penal action as provided u/s 20 of the said Act of 2015.
