The matter is partly heard.

The Secretary of the Trust/Institute and the Chartered Accountant are not in a position to respond to the queries made in respect of admission made during the academic year 2021-2022 and approval granted by Admissions Regulating Authority. The Chartered Accountant representating the Institute submitted that the Principal of the Institute has wrongly furnished the statement about students admitted from N.R.I/ Institutional Quota. In the academic year 2021-2022 the Institute has admitted only one student from Institutional Quota and received the fees three times the regular fees from one student only. The information provided recording five students admitted from Institutional Quota by the Principal is incorrect.

During the course of hearing it was revealed that the strength of the number of students admitted is more than the sanctioned intake capacity.

The Secretary of the Trust/Institute requested to adjourn the hearing to submit the documents & respond to the querries as well as to furnish list of the students admitted from Institutional/Management Quota as well as students admitted under Regular Quota .

The hearing is adjourned. The necessary clarification by way of Affidavit and the documents be furnished within two weeks.
